

## List of VBAC workshops

- 1994, 6-10 April      Vector Bundles on Algebraic Curves  
University of Liverpool, UK
- 1997, 2-6 June        Equations on Vector Bundles and Moduli Spaces  
Miraflores de la Sierra, Spain, 44 participants
- 1998, 30 March-3 Apr Vector Bundles and Principally Polarised Abelian Varieties  
University of Durham, UK, 36 participants
- 1999, 21-25 June      Non-abelian Theta- functions and Moduli Spaces of Vector Bundles  
Universidad de Salamanca, Spain, 49 participants
- 2000, 11-15 September Brill-Noether Theory for Vector Bundles  
Physikzentrum Bad Honnef, Germany, 59 participants
- 2001, 11-15 September VBAC01  
Università Roma Tre, Italy, 63 participants
- 2002, 1-5 July        VBAC02  
CIRM, Luminy, France, 60 participants
- 2003, 1-5 July        VBAC03 (dedicated to the memory of Andrei Tyurin)  
Universidade do Porto, Portugal, 86 participants
- 2004, 21-26 June      Gromov-Witten Invariants  
SISSA, Trieste, Italy, 92 participants
- 2006, 11-15 December Moduli Spaces and Vector Bundles  
CIMAT, Guanajuato, Mexico, 50 participants
- 2007, 18-22 June      Principal Bundles, Gerbes and Stacks  
Physikzentrum Bad Honnef, Germany
- 2008, 16-20 June      Vector Bundles (in honour of S. Ramanan)  
Miraflores de la Sierra, Spain
- 2009, 15-19 June      Derived Categories and the Langlands Programme  
Freie Universität Berlin, Germany
- 2010, 14-18 June      New Invariants and Stability Conditions  
IST, Lisbon, Portugal
- 2011, 27 June-1 July    Moduli Spaces  
Newton Institute, Cambridge, UK, 114 participants
- 2012, 18-22 June      Geometry and Quantization of Moduli Spaces  
CRM, Bellaterra, Barcelona, Spain, 88 participants
- 2013, 17-21 June      Hilbert Schemes, Sheaves and Representations  
SISSA, Trieste, Italy, 84 participants
- 2014, 1-5 September   Bundles, Topology, Physics  
Freie Universität Berlin, Germany, 101 participants
- 2015, 15-19 June      Fourier-Mukai, 34 years on  
University of Warwick, UK, 69 participants
- 2016, 11-15 January   Higgs Bundles and Hitchin System  
Centre Interfacultaire Bernoulli, Lausanne, Switzerland
- 2017, 4-8 September   Motivic Methods and Derived Categories,  
Universität Duisberg-Essen, Germany, 58 participants
